## REAL ESTATE MEN RECEIVE INVITATION

Will Attend Meetings of National Association In  
Northwestern Cities.

Realizing the important bearing which the Washington real estate market has upon that of the entire country, special invitations have been issued to local realty firms to be the guests of the National Association of Real Estate Exchanges at its convention, to be held in Minneapolis and St. Paul, June 15, 16 and 17, and in Duluth, June 18.

The firms invited are Gasch & Birge, Randall H. Hagner, the F. H. Smith Company, Story & Cobb, Swartzell, Rheem & Hensley, Thomas J. Fisher & Co., Inc., Gardiner & Dent, and Shannon & Luchs.

In addition to the invitations received by the Washington exchanges, it is understood that prominent firms in other large cities have been invited to attend the convention. An effort is to be made to extend the scope and influence of the association.

Until two years ago the real estate men composed practically the only large interest not organized. The membership now numbers about 2,000.

Among the speakers at the convention will be Richard B. Watrous, of this city, with the subject, "Making Your City Beautiful."

## BACK WITH FAMILY; SENTENCE SERVED

J. Arthur Kemp Believed to Be  
With Wife At  
Clarendon.

Released from the Moundsville penitentiary after serving nineteen months and six days for embezzling several thousand dollars from the police relief fund, J. Arthur Kemp, former chief clerk and property clerk of the Police Department, probably is spending Memorial Day with his family at Clarendon, Va.

Kemp's term expired Saturday. He left Moundsville at 1 o'clock Sunday morning for this city. Upon arriving in Washington, however, he left Union Station immediately on another train.

Kemp's wife and son live in Clarendon, and it is thought he has joined them. In a letter to a friend, a few days before he left Moundsville, he said he would "spend a few weeks with friends near your city" before making any plans for the future.

## SOUTHERN BUILDING TO BE HEIGHTENED

Excavation for the building to be erected by the Southern Building Corporation at the northeast corner of Fifteenth and H streets northwest probably will begin next week, according to an announcement made today.

Following the passage of the bill permitting an increase in the height of buildings in the District, plans for the proposed office structure were revised, so that it may have eleven stories instead of nine. As finally drawn the plans call for a building to cost in the neighborhood of \$1,250,000. It is expected to have it completed by March 1, 1911.

## SEEKING SUNKEN RICHES.

HALIFAX, N. S., May 30.—To recover sunken riches supposed to be worth between \$250,000 and \$500,000 an expedition is to begin operations in Port Murray Bay, Annapolis county, within a few days. The treasure is in the cabin of the Spanish galleon Don Quixote, which was sunk in Port Murray Bay about a hundred years ago.

Swift & Company's sales of fresh beef in Washington for the week ending Saturday, May 28, averaged 9.50 cts. per lb.—Adv.
